Section 2. Members Easements of Enjoyment in Limited Common Properties. Only those members owning Lots which are designated in a plat or the Declaration or a Supplemental Declaration as having an interest in a Limited Common Property shall have a right and easement of enjoyment in and to the Limited Common Property, and such easement shall be appurtenant to and shall pass with the title to each Lot so designated.

Section 3. Extent of Members Easements. The rights and easements of enjoyment created hereby shall be subject to the following:

- a) The right of the Developer and of the Association, in accordance with its Articles and Bylaws, to borrow money for the purpose of improving the Common Properties and in aid thereof to mortgage said properties. In the event of a default upon any such mortgage the lender's rights hereunder shall be limited to a right, after taking possession of such properties, to charge admission and other fees as a condition to continued enjoyment by the members and, if necessary, to open the enjoyment of such properties to a wider public until the mortgage debt is satisfied whereupon the

possession of such properties shall be returned to the Association and all rights of the Members hereunder shall be fully restored; and

- f) the rights herein granted utility companies pursuant to this Declaration, or any Supplemental Declarations.

ARTICLE VII

COVENANTS FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Developer for each Lot and Living Unit owned by him within The Properties hereby covenants and each Owner of any Lot or Living Unit by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, be deemed to covenant and agree to pay to the Association:

- 1) Annual assessments or charges;
- 2) Special assessments for capital improvements, such assessments to be fixed, established, and collected from time to time as hereinafter provided.
- 3) Individual Assessments and fines levied by the Board against individual Lot Owners for violation of these covenants and restrictions.

The assessments provided for herein, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with

such interest thereon and cost of collection thereof as hereinafter provided shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the residents in The Properties and in particular for the improvement and maintenance of properties, services, and facilities devoted to this purpose and related to the use and enjoyment of the Common Properties.

Section 3. Basis and Maximum of Annual Assessments. Until the year beginning January 1975, and continuing from year to year the annual assessment shall be 100.00 per lot or living unit, except for those lots designated for apartment development. An apartment owner shall be assessed on the same basis as other members except that he shall pay the per lot assessment for each ten living units, or fraction thereof, on the Lot or Lots owned or leased by him. From and after January 1, 1975, the annual assessment may be increased or decreased by vote of the Members.

Beginning January 1, 1985, and continuing from year to year thereafter unless increased or decreased as provided herein, the annual assessment shall be \$125.00 per lot or living unit. (*amended 3-19-1984*);

Beginning January 1, 1993, and continuing from year to year thereafter unless increased or decreased as provided herein, the annual assessment shall be \$150.00 per lot or living unit. (*amended 7-8-1992*)

Beginning January 1, 2003, and continuing from year to year thereafter unless increased or decreased as provided herein, the annual assessment shall be \$200.00 per lot or living unit. (*amended 12-9-2002*)

Beginning January 1, 2013, and continuing from year to year thereafter unless increased or decreased as provided herein, the annual assessment shall be \$300.00 per lot or living unit. (*amended 09-17-2012*)

Beginning January 1, 2023 the annual assessment shall be \$350.00 per lot or living unit for the year 2023, and beginning January 1, 2024 and continuing from year to year thereafter unless increased or decreased as provided herein, the annual assessment shall be \$400.00 per lot or living unit. (*amended 10-6-2022*)

The Board of Directors of the Association may, after consideration of current maintenance costs and future needs of the Association, fix the actual assessment for any year at a lesser amount.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized by Section 3 hereof, the Association may levy in any assessment year, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, improvement upon the Common Properties, including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds of the votes of Members who are voting in person or by proxy at a meeting duly called for this purpose, written notice of which shall be sent to all Members at least thirty (30) days in advance and shall set forth the purpose of the meeting. No such capital assessment shall be levied against an apartment owner unless the capital improvement for which levied shall be subject to the use of persons renting Living Units from the apartment owner.

Section 5. Date of Commencement of Annual Assessments: Due Dates. The annual assessment provided for herein shall commence of January 1, 1974 and shall be paid by March 1, 1974, and shall be for the calendar year 1974. The assessments for each succeeding calendar year shall become due and payable on the 1st day of January of each year, and shall become a lien upon the property as of that date as herein provided. However, the payment of annual assessments shall not be considered to be delinquent if paid on or before March 15th of such calendar year. The due date of any special assessment authorized under Section 4 hereof, shall be fixed in the resolution authorizing such assessment.

Section 6. Effect of Non-Payment of Assessment: The Personal Obligation of the Owner; The Lien; Remedies of the Association. If the assessments are not paid on the date when due (being the dates specified in Section 5 hereof or as otherwise provided by the Board in the case of special assessments or individual assessments), then such assessment shall become delinquent and shall, together with such interest thereon and cost of collection thereof as hereinafter provided, thereupon become a continuing lien of the property which shall bind such property in the hands of the then Owner, his heirs, devisees, personal representatives and assigns. The personal obligation (but not the lien) of the then Owner to pay such assessment, however, shall remain his personal obligation for the statutory period of limitations and shall not pass to his successors in title unless expressly assumed by them. If the assessment is not paid by the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of ten (10) percent per annum, and the Association may bring an action at the law against the Owner personally obligated to pay the same or to foreclose the lien against the property, and there shall be added to the amount of such assessment the costs of preparing and filing the complaints in such action, and in the event a judgment is obtained, such judgment shall include interest on the assessment as above provided and a reasonable attorney's fee to be fixed by the Court together with the costs of the action.

Section 7. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the properties subject to assessment; provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to a sale or transfer of such

property pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. The purchaser of any property subject to this lien at a foreclosure sale or sale in lieu of foreclosure shall take the property free and clear of any lien for prior assessments against it; however, that purchaser's obligation to pay the assessments shall begin pro-rata upon the date of his purchase of the property. Such sale or transfer does not relieve such property from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment.

Section 8. Exempt Property. The following property subject to this Declaration shall be exempted from the assessments, charge and lien created herein:

- a) all properties to the extent of any easement or other interest therein dedicated and accepted by the local public authority and devoted to public use;
- b) all Common Properties as defined in Article I, Section 1 hereof;
- c) all properties exempted from taxation by the laws of the State of Arkansas, upon the terms and to the extent of such legal exemption.

Notwithstanding any provisions herein, no land or improvements devoted to dwelling use shall be exempt from said assessments, charges or liens.

ARTICLE VIII

In the event said Board, or its designated committee, fail to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required and this Article will be deemed to have been fully complied with. Section 2. Agreements With The Association. The Board of Directors of the Association may enter into a written agreement with apartment owners to permit renters from such apartment owners to use the facilities of the Association otherwise prohibited under the provisions of Section 1 above. Any such agreement shall provide the basis of assessment for such use, the period of the use, the facilities which may be used and such other terms and conditions as the Board considers appropriate.

ARTICLE X

The provisions herein shall supercede, replace and repeal any previously enacted Village Harbor Property Owners Association Covenant Violation Policy, it being the intent that the contents of which have now been addressed in this Amended Declaration.

Section 4. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.
