PROJECT APPROVAL APPLICATION

The Project Approval Application must be completed and submitted to the Architectural Control Committee for approval prior to erecting a building, fence, wall or other structure or any exterior addition, change or alteration. Once submitted, the committee has up to 30 days to make a decision to approve or deny the project.

To expedite the decision process, please include detailed information about the project such as dimensions, materials that will be used, color choices, and/or location. Please include any pertinent photographs, brochures or samples of materials related to the project.

Completed applications, along with any pertinent information about the project should be mailed or emailed to the Architectural Control Committee.
